

# Your care. Your way.

Convenient and affordable  
virtual care wherever you need it\*

From mental health visits to quick care, you can use CVS Virtual Care® in addition to your traditional network of providers. Access is included as part of your medical plan from Aetna®, a CVS Health® company. Because **healthier happens together®**.

## Get started today with CVS Virtual Care

- 1 Activate your virtual care benefit by visiting **CVS.com/virtual-care** or scan the QR code below.
- 2 Enter your plan information.
- 3 Tell us how we can help by entering a condition, symptom or care type.
- 4 Find care that works in your schedule.

Schedule a visit at **CVS.com/virtual-care**

**24/7 Care**  
Virtually connect quickly and easily with a licensed provider for the treatment of minor illnesses and injuries.

**Mental health services**  
Talk with a therapist about your anxiety or stress. Or schedule with a psychiatric mental health nurse practitioner (PMHNP) for diagnosis, treatment and medication management.\*

Your doctor is your choice. For a full list of providers, visit **Aetna.com** to log in to your member website.

\*FOR CARE WHEREVER YOU NEED IT: CVS Virtual Care services are only available in the USA. Limitations may apply based on services and location. Members enrolled in qualified high-deductible health plans must meet their deductible before receiving covered non-preventive services at no cost-share.  
\*FOR PSYCHIATRIC CARE AND MEDICATION MANAGEMENT: Controlled substances not prescribed. Adolescent mental health services are limited to counseling only; mental health medication management and psychiatry services remain available only for adults 18+.  
**Aetna is the brand name used for products and services provided by one or more of the Aetna group of companies, including Aetna Life Insurance and its affiliates (Aetna).**  
Aetna is part of the CVS Health® family of companies.
